
Meet Carrollton's Pastor

Cristian grew up dreaming of becoming a doctor and bringing healing to people. While he was studying hard toward his lifelong dream, God called him to the ministry of healing souls instead. Not without a fight and after spending a lot of time in prayer, Cristian changed the focus of his studies to Theology and then dedicated his life to spreading the gospel.

His wife Otilia grew up in a mission oriented family, and sharing Cristian's passion for healing souls, she completed her studies in Psychology. They have been married for 15 years. Together, they worked in Romania, Ukraine, the US, and the country of Georgia. Their experience working with Adventist Frontier Missions for the past seven years inspired them to connect with people in Jesus' way: by meeting needs, growing friendships and nurturing hearts.

Along with their two children, Oliver and Amelia, they are excited to bring their spiritual gifts, experience and commitment into pastoral work.

The Stroia family is honored to become a part of the Carrollton SDA family.

And Jesus came and spoke to them, saying, "All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen.
